A BRAND THAT DRIVES YOUR TASTE

A HOLLYWOOD STAR.....\$PRICELESS

Opening its doors in 1947, Mel's Drive-In has a national following from its four San Francisco locations, as well as its four Hollywood and Southern California locations. Also present in three Universal Studios theme parks, it is the most popular themed restaurant there catering to millions of visitors! Mel's retro and vintage images are true Americana. When thinking of Mel's, one pictures comfort food, burgers, fries, shakes and pies. Mel's Drive-In makes you feel good and is all about fun.

DELICIOUS OPPORTUNITIES.....\$PRICELESS

One of the most visited restaurants in America, the brand is serving the same Chili, Meatloaf, and "Grandma's Chicken Soup" recipe to millions of people for over 63 years! The brand is well known in Hollywood as a great meeting location over food. The diner promotes fun, comfort and taste and has a lot more to offer to the Indian market. It promises a wider acceptance to the Indian public due to its great taste and variety of dishes. Licensees can cherish the opportunity to explore a great dining experience that has been famous on the big screen.
