

# University of Oxford

## SHAPING THE WORLD

University of Oxford, one of the world's oldest educational institutions, is renowned for the achievements and breakthroughs that its students and staff have accomplished throughout time. Teaching has existed at Oxford since early 1096. Dr. Manmohan Singh, Prime Minister of India, helped liberalize trade in India in the early 1990s, leading to substantial economic growth and reduction in poverty rates - post completing his doctorate studies of economics at the University of Oxford.
